BLESSINGS & EVERLASTING HOPE

"The villagers of Kidogobasi & Mida received great blessings thanks to our donors who generously keep this mission alive and impactful!

Through our outreach efforts, we reached many homes and hearts with the gospel of Jesus Christ, as we prayed with women and children facing some of the toughest battles in life, including illnesses of unknown cause.

Pastor Joshua Karisa, one of our dedicated PFC members, has continued to serve faithfully in his gifting as an intercessor, standing in the gap for the families in need.

By God's grace, 69 people accepted Christ as their Lord and Savior during this outreach. We celebrate each life transformed and each heart restored with hope!

We extend our heartfelt gratitude to Partners for Care and our donors for providing Bibles and supporting the entire Gospel outreach program.” ~ Peter Chea - PFC Kilifi Director
